THE CARTER COURT OF INQUIRY. It May Necessitate the Captain's Re-

lief From Canal Commission. WASHINGTON, D. C., September 16 .-The court of inquiry in the case of Capaccounts as engineer in charge of the been impunged, has been ordered to assemble at Savannah, Ga., next Tuesday. If the coming investigation of Captain Carter's accounts promises to occupy much time, which it is feared will be the case, it is believed here that it will necessitute his relief as a member of the Nica-

ragua Canal Commission. It had been arranged that Captain Carter should take charge of the field party which was to go overland across Nicaragua, for the purpose of verifying the survey which was accomplished by the first commission, and if he is relieved another army engineer must be assigned to this technical work.
